Note: 1. The pension benefit payments of Labor Insurance implemented from 2009.

2. The insured person who suffers from occupational injury or disease has claimed for disability pension or survivor pension, an extra occupational compensation should be issued. The occupational disability and death compensation shall be paid for once, the other pension payments shall be paid by monthly. So, the grand total persons of these compensations means the accumulation of the 'persons' per month.

3. National Pension combining Labor Insurance coverage years means the insured persons of National Pension applying for disability pension payment can be combined with the Labor Insurance coverage years. The funding needed for the combined calculation of Labor Insurance coverage years will be repaid by the insurance.
