Note: 1.Beginning in January 2005, Workforce Development Agency is in charge of Internet Employment Services System of Youth Development Administration. The "Job seekers" and "Job openings" are new registration data (including the data of Youth Development Administration. The "Job seekers" and Job openings are new regionation and Development Administration).

2. To operate in coordination of the eJob of Workforce Development Agency, the data "placement" was separated into "Job seekers employed by employment service" and "Job openings filled by employment service" since May 2004.

3. The effective number of applicants placed and openings filled are based on the number of lated two month new applicants and openings. Data for each employment services project is based on the statutory period since May 2004.

4. Beginning in January 2006, the data series include the services in city/county new established employment service stations.

5. Beginning in August 2008, the data series include employment service in the Council of Indigenous Peoples.

Beginning in October 2016, the data series include employment service in Veterans Affairs Council.

6. Since January 2012, the new job seekers and the new job openings don't include military personnel.
